VILLAGE OF MAYWOOD

SENIOR SNOW REMOVAL PROGRAM

APPLICATIONS ACCEPTED NOW THROUGH JANUARY 29, 2017

The Village provides Snow Removal Services for seniors (65 and older) and disabled residents who live alone and have no other way to get their snow shoveled.

Workers will clear the Front or Main Entrance, Steps and Walkway, as well as the public sidewalk in front of the home. Salt will be placed down after the snow has been shoveled. Workers are not responsible for clearing driveways.

Snow will be shoveled after a snowfall of at least 2 inches. We will try to wait until the snow stops falling before we start shoveling. Because there are so many residents on our list, please allow 24-48 hours for the entire list to be completed.

Please complete the information below and return bottom portion ONLY to:

Village of Maywood
Village Manager's Office
40 Madison Street
Maywood, IL 60153

PLEASE TEAR AT PERFORATION (KEEP TOP PORTION FOR YOUR REFERENCE)
