

Maywood

Advisory Working Group Meeting #2

The Advisory Working Group Meeting will be held on:

Thursday, February 25, 2016 • 6:00 PM – 8:00 PM

Maywood Multipurpose Building
200 S. 5th Avenue
Maywood, IL

Join us at the second Maywood Advisory Working Group (AWG) meeting to discuss I-290 improvements.

The AWG was created by the Village of Maywood, in partnership with the Illinois Department of Transportation (IDOT), to provide more opportunities for stakeholders to participate in the ongoing I-290 Study.

At the first AWG meeting, IDOT and stakeholders discussed community concerns and an overall process for addressing those concerns. Through a series of monthly workshops, IDOT will work with stakeholders to develop a consensus plan that considers safety, mobility, community and environmental factors.

MEETING TOPICS:

- **Overview of existing conditions**
 - Safety, traffic and access
- **Alternatives scoping**
- **Noise wall vote results**
- **Next steps**

The AWG meetings are open to the general public and there will be an opportunity for audience members to ask questions following the presentation and Working Group agenda items.

For more information about the AWG, please contact the Maywood Village Manager's office at 708-450-6303.
