Re: 2022 Crackfilling Program
Bid Opening Results and Recommendation

Dear Ms. Wells-Armstrong:

Proposals were received for the 2022 Crackfilling Program at 11:00 a.m. on Thursday, May 26, 2022 at the Village Clerk's office. Three (3) prospective bidders obtained plans and specifications for the project, with the Village receiving proposals from three (3) of the companies. A summary of the proposals received is as follows:

Denler, Inc.	\$ 16,560.00
SKC Construction, Inc.	\$ 18,990.00
M&J Asphalt Paving Co., Inc.	\$ 29,160.00
Engineer's Estimate	\$ 19,950.00

The lowest responsive, responsible bid submitted for this project was Denler, Inc. of Joliet, Illinois. Denler, Inc. had previously performed the Village of Maywood Crackfilling Program in 2020. Positive references were received in neighboring communities including the Village of Romeoville, City of Naperville, and Village of Downers Grove. Based on the review of references and past experience in the Village of Maywood, we find that the contractor is well qualified to complete the work specified. We recommend that the Contract for the improvements be awarded to Denler, Inc., in the amount of Sixteen Thousand Five Hundred Sixty Dollars (\$16,560.00).

The project will address approximately 27,000 Linear Feet of crackfilling throughout the Village at locations determined by Public Works.

We have enclosed a copy of their proposal for completing the work. We are also returning the original bids with a copy of this letter to the Village Clerk. The construction of the project will be funded through the general fund.

If you should have any questions, please call our office at your convenience.
