ESCROW AGREEMENT

This Escrow Agreement, dated _____, 20____, is by and between _____ (the "Seller"), _____ (the "Purchaser" or "Escrower"), and the Village of Maywood, an Illinois municipal corporation (the "Village" or "Escrowee") as Escrowee/Obligee and/or Escrow Agent .

WHEREAS, Seller owns real property within the Village located at _____, Maywood, Illinois, with a Permanent Index Number or Numbers ("PIN(s)") of _____ (the "Property"); and

WHEREAS, the Seller and Purchaser desire to obtain a Certificate of Compliance from the Village, as required by Section 150.098 of the Maywood Village Code prior to the sale or rental of the Property; and

WHEREAS, there are outstanding violations relating to the Property, as set forth in the Building Code Violation Notice dated _____, attached as **Exhibit 1** and made a part hereof, that prevent the Village from issuing a Certificate of Compliance at this time; and

WHEREAS, in order to proceed with the sale of the Property despite the existence of the violations, the Parties propose to enter into this Escrow Agreement pursuant to Section 150.098(H) of the Maywood Village Code in order to obtain a Conditional Certificate of Compliance.

NOW THEREFORE, in consideration of the covenants and conditions set forth herein, the Parties acknowledge and agree as follows:

1. The Parties acknowledge and affirmatively state that they have read and understand the violations set forth in the Violation Notice dated _____ attached as **Exhibit 1** and that correction of the violations is required for a Certificate of Compliance to issue. The parties further acknowledge that there may be additional violations that are unnoted or are undiscovered due to a lack of or limited inspection access and lack of utilities.
2. A proposal from a licensed contractor on business stationary or letterhead for labor and materials necessary to correct the violations noted in the Violation Notice (the "Work") has been furnished to the Village of Maywood as Escrowee and is attached as **Exhibit 2** and made a part hereof.
3. The sum of \$ _____ (the "Escrow") to ensure the Work is performed and the Property is brought into compliance has been deposited by or on behalf of the Purchaser as Escrower with the Village of Maywood Finance Department as Escrowee or as Obligee in the form of:
 - a. _____ Cash
 - b. _____ Performance Bond/Surety Bond
4. The Escrow shall be held to secure the proper completion of the Work.
5. Based on receipt of the Escrow, the Village is willing to issue a Conditional Certificate of Compliance with the understanding that the Work shall be completed in conformance with this Agreement. See Section 150.098(H) of the Maywood Village Code.
6. A Village of Maywood Building Permit or Permits relative to the Work must be obtained within thirty (30) days of the closing.
7. Upon completion of the Work, the Escrower shall notify the Village, in writing at the address listed below, to arrange for a re-inspection of the Property.

8. If, upon inspection of the Work, the Village determines that corrections of the violations have been accomplished in a good and workmanlike manner, in full compliance with the proposal attached hereto as Exhibit 2 and in accordance with the current building code standards and other laws and ordinances of the Village of Maywood, the Village shall issue a clear/revised Certificate of Compliance indicating “no violations present for escrow release only.”

9. The Escrower must complete the Work on or before ninety (90) calendar days from the date of the closing on the Property. In the event the Escrower fails to complete the Work, and/or have the Work verified on reinspection, on or before ninety (90) days from the date of the Closing, the Village is authorized to pursue enforcement proceedings through the Village of Maywood administrative adjudication process, or, in its discretion, through the Circuit Court of Cook County, pursuant to Section 150.098(H)(4) of the Maywood Village Code. The Village is further authorized to pursue any other administrative or judicial remedy in order to bring the property into compliance with applicable codes and regulations, including an order allowing the Village as Escrowee to release the funds to a contractor of its choosing to bring the violations into compliance. The Village shall be entitled to draw on the Escrow for the purpose of paying all costs associated with such enforcement proceedings, including but not limited to consultant fees, engineering fees, attorney fees and litigation expenses, pursuant to Section 150.098(H)(4) of the Village Code, and for the purpose of paying any judgment amounts for fines pursuant to Section 150.098(H)(5) of the Village Code. 10. The Escrower agrees to submit to the jurisdiction and venue of the Village of Maywood administrative adjudication process and the Circuit Court of Cook County and to waive service of summons subject only to the notice requirements as required by law in order to enable the Village to expeditiously obtain an order of compliance with this Agreement, if necessary.

11. Whenever any notice is required under this Agreement, the notice will be in writing and will be deemed effective and given and received upon personal delivery or upon deposit in the United States mail, registered or certified mail, return receipt requested, postage prepaid or by a national/next day delivery courier, to the address written below or at other addresses as are specified by written notice delivered in accordance with this Agreement.
