

New 1st Avenue Bridge Truck Weight Limits

Effective Immediately

A new weight limit sign has been posted by the Illinois Department of Transportation regarding Weight limits on any and all trucks traveling over the bridge at 1st Avenue and 290 expressway.

The limits are as follows:

12 tons per axle

41 tons total weight

Even if you possess a permit the sign posted at the bridge locations (within the entire village) supersedes the permit

REMINDER

No TRUCKS over 8000 lbs are allowed to travel on 9th Avenue, between Roosevelt and Chicago Avenues
